Experity Ventures Ranks # 682 on the 2022 Inc. 5000 annual list of America's fastest growing private companies

Company is named for the second consecutive year with three-year revenue growth of 914%

NEW YORK, August 16, 2022 – Today, Inc. Magazine revealed that Experity Ventures is # 682 on its annual Inc. 5000 list, the most prestigious ranking of the fastest-growing private companies in America. The list represents a one-of-a-kind look at the most successful companies within the economy's most dynamic segment—its independent businesses. Microsoft, Facebook, Under Armour, Patagonia, Chobani and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

Joseph Greco, Founder and Chairman, commented we are proud and honored to be recognized for a second consecutive year as part of this prestigious list. Our three-year revenue growth rate of 914% is testimony to us executing our vision every day. Congratulations to our dedicated and talented team and we look forward to continuing our amazing innovation and growth story”.

Ryan Silverman, CEO, added “We are very excited to be recognized again and be part of this impressive class of great companies. Experity Ventures growth and performance is a result of a continued focus and relentless execution from our outstanding team. Along with our valued partners, we will stay committed to this ideal every day”.

The companies on the 2022 Inc. 5000 have not only been successful, but have also demonstrated resilience amid supply chain woes, labor shortages, global events and the ongoing impact of Covid-19. Among the top 500, the average median three-year revenue growth rate soared to 2,144 percent. Together, those companies added more than 68,394 jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000. The top 500 companies are featured in the September issue of *Inc.* magazine, which will be available on August 23.

“The accomplishment of building one of the fastest-growing companies in the U.S., in light of recent economic roadblocks, cannot be overstated,” says Scott Omelianuk, editor-in-chief of Inc. “Inc. is thrilled to honor the companies that have established themselves through innovation, hard work, and rising to the challenges of today.”

More about *Inc.* and the Inc. 5000

Methodology

Companies on the 2022 Inc. 5000 are ranked according to percentage revenue growth from 2018 to 2021. To qualify, companies must have been founded and generating revenue by March 31, 2018. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2021. (Since then, some on the list may have gone public or been acquired.) The minimum revenue required for 2018 is \$100,000; the minimum for 2021 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Growth rates used to determine company rankings were calculated to four decimal places. The top 500 companies on the Inc. 5000 are featured in *Inc.* magazine’s September issue. The entire Inc. 5000 can be found at <http://www.inc.com/inc5000>.
